Ideal For: Conferences, Travel & Leisure Sector, Corporate Giveaways, Events

PROMO LIST

Laptop Skin

Sizes available: Various

Full colour:
- All graphics should be supplied as high resolution CMYK files at a minimum of 300dpi
- All design components must be supplied and clearly identified. This includes Tiff, EPS and PDF files; all printer fonts used in the main file & imported graphics.

Regardless of print method:
- Allow 10mm bleed all around the design.
- Artwork to be emailed with your order number and company name in the reference line or supplied on CD with same information clearly labelled.

Full detailed guidelines including limitations & recommendations are available for each printing method on request.

QR Codes - Please note that the print process and substrates used in the production of this item may not always allow QR codes, if present on your artwork, to function correctly. When approving your proof, you are accepting that this may be the case and as such accept full liability for any malfunction of the QR code.

See the following page(s) for the artwork templates for this product.

All information correct at time of publication. Whilst we endeavour to maintain the accuracy of this document, details may change without notice.

Width:	400mm
Height:	290mm

Artwork with Bleed -

Width:	406mm
Height:	296mm

This dieline represents a current finishing tool. Any alterations to this dieline may incur additional charges.

To apply to your laptop;
• Make sure laptop surface is clean and dry.
• Cut carefully to required size.
• Place skin upside down on a flat surface and fold back a 25mm strip of release paper to expose the adhesive.
• Place skin in position then press down adhesive.
• Keeping your hands close to the surface, slowly remove the release paper whilst smoothing the top surface with a cloth.
