Recommendations and Limitations

This mug is not dishwasher safe. Hand wash only is recommended. Please wash mug before use. Do not use in a microwave oven. This retro-styled mug is hand-enamelled so each one is a little different. Slight imperfections in the surface of the enamel finish (such as dimples, dots, variations in the enamelling etc...) should be expected; but these all add to the rustic, vintage charm of this popular range of products.

The mug base can also be printed in 1 colour, extra charges apply.

Ideal For: Tourist Attractions, Builders Merchants, Councils, The Office and Home, Educational Organisations

Please supply us with:

- Finished version of the artwork.
 - All of the source files used to create the finished version, including all high resolution scans, all screen and printer fonts

All artwork supplied must be fully editable. The finished version should be supplied as a CYMK file (plus spot colour separations.)

Please note text must be no smaller than 8pt (15pt for etched mugs) and reversed out text should be larger and in bold.

Emailed artwork must be clearly labelled with your order number and company name in the reference line, or supplied on CD with the same information clearly marked. 4 colour process artwork needs to be 300dpi or higher.

Black and white or from a low-cost colour printer using the right file, not an earlier version. Label with PMS references for all corporate colours or other critical colour matches. Supply colour samples or swatches at the outset. Customer supplied printouts cannot be matched because there is no consistency of calibration between their machine and our press.

- Editable EPS file
- Image saved at 100% size or larger
- Pantone® references supplied for colours
- Fonts supplied or text saved as curves
