Recommendations and Limitations

Due to the specialist nature of this product we recommend hand washing to maximise the useable life of the product, care should also be taken when using metal objects on the inside of the mug. Although this mug is microwave safe, prolonged heating may damage the surface. Please wash mug before use.

Ideal For: Tourist Attractions, Builders Merchants, Councils, The Office and Home, Educational Organisations

Artwork Requirements

Mini Marrow Inner & Outer ColourCoat Mug

Sizes available: Approximate dimensions 85mm tall x 76mm diameter. Please note mugs may vary slightly in size and these details should be used for guidance only.

We can accept artwork by disk, email or you can upload onto our FTP site. Please contact us for details.

Programs:
Mac: QuarkXpress 7, Illustrator, PhotoShop, and Adobe In Design.
PC: PhotoShop and Adobe InDesign

Please supply us with:
- Finished version of the artwork.
- All of the source files used to create the finished version, including all high resolution scans, all screen and printer fonts Label the disk with job title and return address.

All artwork supplied must be fully editable. The finished version should be supplied as a CYMK file (plus spot colour separations.)

Please note text must be no smaller than 8pt (15pt for etched mugs) and reversed out text should be larger and in bold.

Emailed artwork must be clearly labelled with your order number and company name in the reference line, or supplied on CD with the same information clearly marked. 4 colour process artwork needs to be 300dpi or higher.

Supply a print out:
Black and white or from a low-cost colour printer using the right file, not an earlier version. Label with PMS references for all corporate colours or other critical colour matches. Supply colour samples or swatches at the outset. Customer supplied printouts cannot be matched because there is no consistency of calibration between their machine and our press.

For Screen Printed designs please supply the following:
- Editable EPS file
- Image saved at 100% size or larger
- Pantone® references supplied for colours
- Fonts supplied or text saved as curves

Due to nature of this product tight registration may be difficult - registration may move by up to 3mm on screen print.

If you would like further information regarding a specific design, please feel free to contact us

QR Codes - Please note that the print process and substrates used in the production of this item may not always allow QR codes, if present on your artwork, to function correctly. When approving your proof, you are accepting that this may be the case and as such accept full liability for any malfunction of the QR code.

All information correct at time of publication. Whilst we endeavour to maintain the accuracy of this document, details may change without notice.
